### HOW OLG BENEFITS WOODSTOCK

OLG and the local gaming site are proud to be a part of the community. The gaming site not only offers entertainment, but it also creates jobs and stimulates the area economy through purchases of goods and services. In addition, OLG supports community festivals and events through its sponsorship program, and makes payments, based on slot machine revenue and table game revenue, where applicable, to the municipality for hosting the gaming facility. This money is used at the discretion of the municipality.
