

PlaySmart.ca Cookies Policy

A cookie is a small text file containing a unique identification number that is transferred from a website to the hard drive of your computer. This unique number identifies your browser, but not the identity of the user, whenever that browser accesses winnerscirclesrewards.ca. The cookies deployed by playsmart.ca do not collect any personally identifiable information about you, such as your name or email address. Cookies are text files, and therefore they do not run on your computer, search your computer for other information or transmit any information to anyone. Cookies are used on many major websites. Many browsers are initially set up to accept cookies. If you prefer, you can reset your browser either to notify you when you have received a cookie, or to refuse to accept cookies.

playsmart.ca users will be asked to acknowledge the presence of cookies. Data collected from the use of cookies will be stored on secure servers and used only for OLG's business purposes relating to marketing, analysis, tracking and delivering to our users targeted offers and better user experience through winnerscirclesrewards.ca.

To help serve you better, playsmart.ca uses two types of cookies: session cookies (temporary) and persistent cookies (longer-term continuing use). Session cookies are used to support forms and registration. They are used only during your online session and expire when you close your browser. Without session cookies, moving around playsmart.ca would be less convenient. Persistent cookies are stored on your computer's hard drive for some length of time. This allows OLG to: i) remember information about your Web preferences (e.g. language preference); ii) make content for our players more relevant and increase our ability to improve the Internet experience for our Players and visitors to playsmart.ca; and iii) manage and track effectiveness of our campaigns. playsmart.ca may advertise on external web sites that may use cookies to tailor advertising to your interests.

Persistent cookies may also be used to deliver online offers on sites other than playsmart.ca. This allows offers to be presented to you based on your interests. These third party sites may collect your IP address or device identifier on the date you visit their site. These third party sites do not collect name or other personally identifiable information about you. Interest-based offers work based on your browsing patterns and the way you have interacted with winnerscirclesrewards.ca. As you browse playsmart.ca, cookies will be created for advertising purposes that allow offers to be presented based on your activity on playsmart.ca. These cookies may contain a unique identifier required to allow the advertising to be presented based on your interests.

playsmart.ca supports your choice to participate in interest-based advertising. playsmart.ca is a participant of the Digital Advertising Alliance's "AdChoices" initiative allowing you to opt out of the use of information about your activities on playsmart.ca for the purpose of interest-based advertising. We include the AdChoices icon in any ads related to interest-based advertising. You can click on the AdChoices icon to access opt out options. The AdChoices icon appears on playsmart.ca and in our ads. Even if you opt out, you may still see playsmart.ca advertising. This simply means this is a generic ad and has not been customized based on your interests. Clearing cookies will also clear your opt out options you selected at AdChoices. You can learn more about AdChoices at www.youradchoices.ca link opens in a new window/tab.
