AJAX

Since 1975, Ontario Lottery and Gaming Corporation (OLG) has provided nearly \$50 billion to the people and the Province of Ontario. OLG is also helping to build a more sustainable horse racing industry in Ontario. OLG's annual payment to the province have helped support provincial priorities including the operation of hospitals; problem gambling prevention, treatment and research; amateur sport; and local and provincial charities.

HOW OLG GAMING BENEFITS AJAX

OLG is proud to be a part of the community. Lottery, casino and charitable gaming operations sustain jobs, directly support local charities that participate in its charitable gaming program and stimulate the area economy through purchases of goods and services. In addition, OLG makes payments, based on slot machine and table gaming revenue, to municipalities that host casino-style gaming facilities. OLG also supports area community festivals and events through its corporate and lottery sponsorship programs.

Since 1975, Ontario Lottery and Gaming Corporation (OLG) has provided nearly \$50 billion to the people and the Province of Ontario. OLG is also helping to build a more sustainable horse racing industry in Ontario. OLG's annual payment to the province have helped support provincial priorities including the operation of hospitals; problem gambling prevention, treatment and research; amateur sport; and local and provincial charities.

HOW OLG GAMING BENEFITS TORONTO

OLG is proud to be a part of the community. Lottery, casino and charitable gaming operations sustain jobs, directly support local charities that participate in its charitable gaming program and stimulate the area economy through purchases of goods and services. In addition, OLG makes payments, based on slot machine and table gaming revenue, to municipalities that host casino-style gaming facilities. OLG also supports area community festivals and events through its corporate and lottery sponsorship programs.
