# OLG PILOTS SELF-SERVE LOTTERY TERMINALS IN SELECT RETAIL LOCATIONS

**Starting in February 2024, OLG will pilot 140 Self-Serve Terminals (SSTs) in select retail locations in the GTA and Sault Ste. Marie, within close proximity to OLG offices.**

These stand-alone terminals aim to add incremental sales, provide more customer convenience and relieve congestion at busy retail locations by offering most draw-based games as well as INSTANT products. OLG has selected pilot retailers based on best industry practices including but not limited to, high performing and high traffic locations, population density and available space.

Following a successful pilot phase, OLG will determine the next steps to expand SSTs across the province.

## HOW DOES IT WORK?

The SST has a touchscreen that allows players to make their INSTANT and LOTTO game purchases by:

- 1 scanning their valid ID,
- 2 using the touch screen to select the tickets they would like to purchase, and
- 3 proceeding with payment.

Once payment is secure, the ticket(s) will dispense.

## SST FEATURES

- 1 **TOUCHSCREEN DISPLAY**  
Allows players to select and buy LOTTO and INSTANT tickets – showcases up to 28 INSTANT ticket facings
- 2 **PAYMENT DEVICE**  
Cashless – currently accepts debit and credit. This includes debit/credit cards stored in Google Wallet, Apple Wallet, etc.
- 3 **BARCODE SCANNER**  
Verifies age via ID scan
- 4 **SELECTION SLIP READER**
