Planogram Guidelines

Follow the planogram layout best suited for your store.

Find the current INSTANT ticket line up in the ON SALE NOW section of your Pack Inventory/Launch Report. All tickets in this section can be planogrammed with highest price point tickets near the cash.

Give new tickets a front-row facing, where possible.

Monitor Terminal Messages for the following:

- Monthly planogram sign on message listing games in market each month.
- Launch Day news messages and retailer screen pop-ups reminding you to activate new games.
- Last Top Prize news messages and retailer screen pop-ups advising when games must be removed from sale.
