

# COMMISSION BOOST PROGRAM SELL MORE. EARN MORE.

Ask for the sale, and watch your sales and commissions increase.

## Ready, set, earn!

Three Commission Boost programs are planned to close out this year.

### PROMOTIONAL PERIOD: SEPTEMBER 10-30

- Earn 8% commission vs the regular 5% commission for ENCORE played on DAILY KENO and PICK games.
- Payment for the additional 3% commission will be issued on your invoice at the end of the program.

For every DAILY KENO and PICK game transaction, ask for the **ENCORE** sale. Tell your customers that, for an extra \$1, they could win \$1 Million. And they can play up to 10 ENCORE per ticket. That translates to more commission for YOU!

### PROMOTIONAL PERIOD: OCTOBER 1-25

- Earn 8% commission vs the regular 5% commission on all DAILY GRAND transactions during the promotional period.
- Payment for the additional 3% commission will be issued on your invoice at the end of the program.

Ask your customers if they want a DAILY GRAND and a chance to win \$1,000 a DAY for LIFE.

Tickets are \$3 per play, and customers can pick their own numbers using a Selection Slip or play a Quick Pick.

Information will be provided on the final program at a later date, which will begin on November 21, 2023.
