Upbeat, bubbly music plays in the background.

We see a super appear on screen that asks the question:

What do you love most about working at OLG

Amy Montanini, Senior Training Specialist is speaking to camera

This was a life changing career for me. There's a great sense of community here in Sault Ste. Marie. The work life balance is amazing. Everyone's opinions are valued. Your voices are heard. When you work for OLG, you really feel valued. I really love working for OLG.

The video ends on the OLG Play for Ontario logo against a blue background.
