

Employee Testimonial Franca L.

Upbeat, bubbly music plays in the background.

We see a super appear on screen that asks the question:
What truth do you bring to your day-to-day life?

Franca Liguori, Senior Product Manager is speaking to camera
*The truth that I bring to my day-to-day life is 'We Play as One Team'.
Part of the reason I love being here in Sault Ste. Marie is everyone feels like family.
What I enjoy most is being able to collaborate with a variety of people, teams and
partners in order to strive to reach a common goal.*

The video ends on the OLG Play for Ontario logo against a blue background.

Music ends.
