\*Calculations are approximate, based on one (1) \$20 ticket, and that all available 500,000 tickets are issued. If the total number of tickets sold is less than 500,000, the odds will be better than shown. The final odds for the three Early Bird prizes will be based on the number of tickets sold before each Early Bird cut-off date.

# IN-STORE SUPPORT

TRIPLE MILLIONS will be supported at retail with POS throughout June and July.

The number of tickets remaining, and the number of days left until the Main Draw will be available on the Customer Display Unit.
