CONGRATULATIONS TO A RECENT BIG WINNER!

George M. of Brampton matched all five main numbers to win a second prize of **\$25,000 A YEAR FOR LIFE** with **DAILY GRAND** in the September 22, 2025 draw.

When George checked his ticket at the store, he didn't understand what was happening at first. *"I thought there was a mistake,"* he recalled. *"The screen said '\$25,000 A YEAR FOR LIFE' and I thought it was an advertisement until the lady said, 'Sir, this is your prize!'"*

"It was such an unreal feeling," George continued. *"I told everyone in my family, and they were speechless."*

The retiree plans to share his winnings with his loved ones.

The winning ticket was purchased at Shoppers Drug Mart on Central Park Drive in Brampton.

FEATURING A SPOTLIGHT ON SOME OF OUR LONG-STANDING RETAILERS

BJ's Convenience

Owner Jun took over a Becker's store in Simcoe in 1989. When he first started selling lottery, he had to wait three years before finally getting a terminal. **Today, the store has two lottery terminals, 14 Silent Sellers, and a Self-Serve Terminal.**

BJ's Convenience has sold quite a few Jackpot-winning tickets over the years, including a \$1M win in 2022, and is one of the top-selling lottery stores in the entire region. Jun says that great customer service and great merchandising are responsible for his success with lottery. The recent addition of beer and wine has helped to further drive his lottery sales.

Belle River Mini Mart

Richard Kim (owner) and Patty Sinasac (full-time employee) have been at this store for 20 years. The original owner was Neil Graham who **opened the store in 1992.**

Haf-Price Variety

William Alfaris opened this Windsor store with his parents in 1985. For a while, they sold only INSTANT tickets because a lottery terminal "was hard to get back then." **Today, William has two lottery terminals!**
