JACKPOT OF HOSPITALITY:

THE WINNING TEAM AT ST-CHARLES FOOD MARKET CLOVER FARMS

For the past 15 years, St-Charles Food Market Clover Farms has been owned and operated by Edmund Liu and managed, for most of that time, by Julie Bédard and Terilyn Goodchild.

Julie and Terilyn are always so welcoming and warm with their customers. In a town like St-Charles, everyone knows each other, and Julie and Terilyn love to interact with their customers and know most of them by name. They know what their customers want, and they always have all lottery products activated and displayed in their four clutter-free trays, which are always completely stocked. For Julie and Terilyn, it's important to ensure that new products are activated on launch day as they have regular customers who want these new offerings and come to the store knowing that Julie and Terilyn will have them available.

Because St-Charles Food Market is approximately 20 km away from any other site selling lottery, Julie and Terilyn take pride in ensuring they offer top service to their community. This site even sold a \$1,000,000 INSTANT ticket in 2023.

During the holiday season, Julie and Terilyn use the cello bags and toppers OLG supplies to make their customers gift packs, which help boost sales. They appreciate the promotional items provided and always enjoy handing them out to their loyal customers.

Julie and Terilyn regularly visit the OLG Retailer Hub to ensure they are up to date on all the new games, Super Draws and anything else relating specifically to retailers.

Congratulations, Julie and Terilyn! Great job at being best in class retailers! You deserve this. Keep up the great work!
