## Q&A

### Why is the price of a ticket increasing?

The price adjustment allows us to introduce exciting new features.

### How will Free Play prizes from the current game be handled?

When validating a free play prize from the current game to the new game, a new game ticket will be printed with no extra charge to the customer.

### Will repurchase be available from the current to new game?

Yes, repurchase will be available from the current game to the new game. Pop-ups on the terminal's customer display and retailer display units will notify both the customer and retailer of the price changes and that the selections have changed from 1-50 to 1-52. Your customer will have the choice to repurchase their numbers or select new numbers, at a cost of \$6 per play. An additional free line will be added for each play.

### If the Jackpot is not won on April 10, will it roll over to the new LOTTO MAX draw?

Yes. If the LOTTO MAX Jackpot is not won on April 10, it will increase for the April 14 draw plus new additional \$100,000 prizes will be added.

## LAUNCH SUPPORT

Mass media advertising will include TV, radio, digital, olg.ca and social media support.

In-store Point of Sale material including tear pads will be provided starting March 30, 2026.

Other in-store support will feature videos on OLG's lottery terminal customer display, digital backershield, digital playstand and digital menu boards.
