4/4/5 REPORTING SCHEDULE: FY 2025-26

This report uses 4/4/5 (or '445') quarterly reporting periods, rather than fiscal quarter reporting:

- Fiscal periods are broken out by weeks, with each week starting/ending on the same day of the week
- Each fiscal quarter has a total of 13 weeks (1st and 2nd months have 4 weeks, 3rd month has 5 weeks)

Why 4/4/5?

- Year over year comparisons (by week, month or quarter) are easier, with the same number of Fridays, Saturdays and Sundays in each reporting period
- This approach will increase reporting consistency and year over year variance analysis
