HOW TO PLAY

There are **FIVE** draws a day. Players can play up to **five (5) consecutive draws** in advance.

STEP 1:

Players can play with **Quick Pick** or choose one or more **POPS** between 1 and 15. Players can select up to **15 POPS per draw**.

STEP 3:

Each printed ticket will show an image of the played **POP(S)** in a circle. Beneath each **POP** is a randomly generated prize amount.

Potential prizes range from 5x to 250x the wager amount!

STEP 2:

Players choose how much to wager on each **POP** - \$2, \$5, \$10 or \$20 per **POP**.

HOW TO PRINT A TICKET

Players can choose how they play:

Quick Pick, Player Selection, Digital Selection Slip or Paper Selection Slip.

This is a **Pay Before You Play Game**. Be sure to collect payment prior to printing a ticket.

1 From the Main screen, select **CASH POP**.

2 Choose either **QUICK PICK** or **CHOOSE**.

3 QUICK PICK

If **QUICK PICK** is selected:

A. Ask players the number of POPS they want to play, the amount they want to wager and the number of draws they want to play.

B. Select **Print Ticket**. **NOTE**

C. Collect payment for the ticket.

terminal defaults to:

1 POP, \$2 Wager, 1 Draw

PLAYER SELECTION

4 If players want to **pick their POP(S)**, select **CHOOSE**.

A. Ask players which **POPS** they want to play. Select each **POP**, or choose **Select All** to play all 15 **POPS**.

B. Select the **wager amount** the player wants to play per **POP** - \$2, \$5, \$10 or \$20.

C. Select the **number of draws** the player wants to play from 1 to 5. **NOTE**

D. **Confirm** the value of the ticket with the player **before printing** the ticket.

E. Once payment is collected, select **PRINT TICKET**.

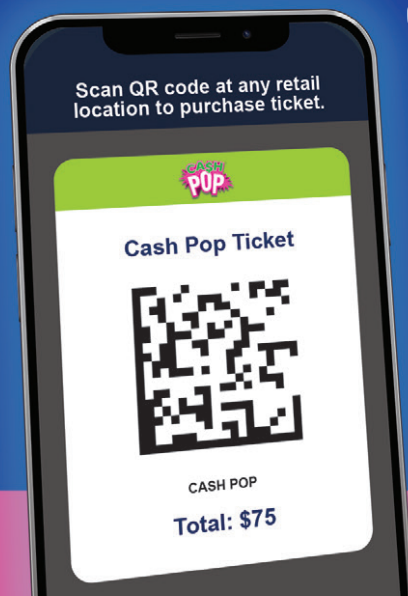

Players can play **up to 5** consecutive draws. If multiple draws are selected, **A SEPARATE TICKET IS PRINTED FOR EACH DRAW**. The draw that the ticket is eligible for will be printed on the ticket.

COST PER PLAY FORMULA

Number of **POPS** x **Wager** x **Draws** = **Cost per play**

Ex: **2** x **\$2** x **5** = **\$20**
POPS Wager Draws Cost Per Ticket Total

NEW! DIGITAL SELECTION SLIPS

Customers will be able to have the ability to use digital Selection Slips on the OLG app to build their **CASH POP** ticket and scan the barcode in-store to receive a physical ticket.

More information will be provided on a separate information sheet.

PAPER SELECTION SLIPS

Scanning a completed paper Selection Slip will generate a terminal pop-up as a reminder to collect payment prior to printing **CASH POP** ticket(s).
