GREAT SERVICE KEEPS CUSTOMERS COMING BACK TO **CHOICES PLUS**

Since 2008, Mark Fournier has been building a strong lottery business at Choices Plus in Pembroke Mall. With a deep understanding of both lottery products and his customers, Mark consistently goes the extra mile by keeping a full selection of INSTANT tickets available and ensuring any issues are addressed quickly.

Alongside team members **Kurt**, **Amanda**, and **Jessica**, Mark creates an exceptional customer experience. Their friendly service, welcoming smiles, and efficient checkout process have earned them a loyal customer base, with many players sharing how much they enjoy visiting the kiosk.

Mark has also demonstrated a commitment to innovation and growth. As the **first retailer in Eastern Ontario** to install a Self-Serve Terminal (SST), he has seen lottery sales increase as a result. By keeping the SST stocked and operating smoothly, Mark continues to deliver convenience for customers while driving strong business results.

Always open to new ideas and focused on continuous improvement, Mark consistently rises to new challenges and sets a high standard for lottery retailing.
